

Vantage Point Legal Nurse Consulting (VPLNC)

Free Guide for Attorneys & Legal Professionals

Introduction

Vantage Point Legal Nurse Consulting (VPLNC) is led by Christine Dorman, DNP, APRN, ACNP-BC, CCRN. With over 30 years of experience as a Registered Nurse and Nurse Practitioner, Christine offers attorneys and law firms a unique perspective at the intersection of healthcare and law. This guide provides a practical overview of legal nurse consulting and the services offered by VPLNC.

What is Legal Nurse Consulting?

Legal Nurse Consulting bridges the gap between medicine and the legal field. Legal nurse consultants (LNCs) bring their clinical expertise to help attorneys understand complex medical issues in legal cases. They analyze medical records, identify deviations from standards of care, and provide insights to strengthen cases.

Services Offered by VPLNC

- Medical Record Review and Analysis
- Case Screening for Merit
- Expert Witness Preparation
- Chronologies and Timelines of Medical Events
- Identification of Standards of Care
- Support for Plaintiff and Defense Attorneys

Benefits of Working with VPLNC

- Gain clarity on complex medical records and terminology
- Save time with expert case screening
- Strengthen your case strategy with professional insights
- Leverage over 30 years of hands-on clinical experience
- Work with a consultant actively engaged in teaching and research

Why Choose VPLNC?

Christine Dorman combines decades of hospital and academic experience with specialized expertise in legal nurse consulting. She is a published author, educator, and active member of professional associations such as the American Association of Legal Nurse Consultants (AALNC). This ensures that clients receive the highest standards of professional consulting services.

How Attorneys Can Work with VPLNC
